Windy Arbor Primary School

Dear Parent/Carer,

Dear Parents and Carers,

We kindly ask that you are mindful of parking at the beginning and end of the school day, particularly in the surrounding residential streets.

We have received communication confirming that a small rota of Highways officers will be introduced to provide an ad-hoc presence at School Streets locations. This visible and periodic enforcement is intended to encourage consistent adherence to the existing restrictions. There may also be the introduction of mobile cameras in the future.

Alongside this, work is progressing on a **Park and Stride** project across Chelmsley Wood. This encourages parents and carers to park a short distance away from school and walk the final 5–10 minutes. For Windy Arbor Primary School, the currently suggested locations are **Bluebell Drive** and **Lingam Supermarket**.

The police have also asked us to remind Parents and residents that obstructive and footway parking can be reported to the Police with video if possible via there new Operation Snap | West Midlands Police

We appreciate your cooperation in helping to keep our school community safe, accessible, and considerate of our neighbours.

Thank you for your continued support.

Kind regards,
The Windy Arbor Primary School Team
