Windy Arbor Primary School

Newsletter - Autumn 2- W3

Dear Parents and Carers,
As we head towards the festive season, there are now 36 days until Christmas! The excitement is certainly beginning to build around school, and we have had another busy and successful week of learning and memorable experiences.

This week, we were delighted to welcome the Mayor of the West Midlands to Windy Arbor. He worked with our children as part of our exciting new pilot project focused on air quality awareness, which has launched in Year 2. The children demonstrated great curiosity and enthusiasm as they learned about the importance of clean air and how we can all play a part in protecting our environment.

In Year 4, we welcomed parents and carers into school to take part in a Times Tables Rock Stars session. It was wonderful to see families learning together and supporting the children with their multiplication skills. Thank you to everyone who attended and helped make the event such a success!

Congratulations to our pupils who won the recent poetry competition. As their well-deserved reward, they enjoyed a trip to the cinema this week. We are incredibly proud of their creativity, imagination and fantastic writing talents.

I was also lucky enough to join our Year 3 children for their swimming lesson this week. It was fantastic to see the progress they are making in the water, with many pupils growing in confidence and developing important swimming skills. Well done, Year 3!

Looking ahead to next week, we are excited to be hosting our Grandparents' Lunch, which is always a special occasion and a wonderful opportunity to celebrate the important role grandparents play in our children's lives. We also have a Year 1 Art Workshop, and we look forward to seeing the creativity and artistic talents of our youngest artists shine.
Thank you, as always, for your continued support. We hope you all have a wonderful weekend! Stay safe and warm!

Mrs Curry

Year 2 Air Quality
