Windy Arbor Primary School

Dear Parents/ Carers,

As part of our learning on the **World Wars**, we are delighted to invite you into school to work alongside your child in creating a piece of artwork inspired by this fascinating period in history on **Tuesday 15th September 2026,** from **9:15am-10:30am.**

This special session will provide an opportunity for families to collaborate, be creative, and celebrate the learning that has taken place in class. Together, you will create a meaningful piece of art that reflects themes, events, or experiences connected to the World Wars.

Working together on this project offers many benefits, including:

- Strengthening the partnership between home and school.
- Providing valuable quality time for parents and children to work collaboratively.
- Encouraging creativity and artistic expression.
- Helping children develop a deeper understanding of their World Wars topic through hands-on learning.
- Building confidence and pride as children share their knowledge with family members.
- Creating a memorable artwork that can be displayed and celebrated within our school community.

We hope as many families as possible will be able to join us for this exciting event. Your support and involvement make a significant difference to your child's learning experience, and we look forward to welcoming you into school.

Please complete the online form below to confirm your attendance. Please note that only one adult can attend per child.
