Dear Parents and Carers,

You child has been selected to join the Girls'/Boys' Football after school club starting on **Monday 14th September 2026.**

In the after school sessions, your child will be working with Lee Chapman from the BCFC Foundation and Miss Woods with the sessions focusing on not only how to play as a 7 aside team, but also to learn about the discipline of the sport. We believe Learning the discipline side of football during training is essential because it forms the foundation on which every other skill is built. Talent, speed, and strength can take a player far, but without discipline, those qualities rarely reach their full potential. Discipline teaches players how to approach the game with purpose, consistency, and respect for both the sport and their teammates. We believe that with the support of the BCFC Foundation, that our girls and boys will learn so many of these skills during these training sessions.

For all sessions, your child will need to wear suitable sports clothing, football boots and shin pads. They will also need to bring a filled water bottle and have a water proof coat as all sessions will be outside on the playing fields.

You child will need to be collected from the school office at 4:30pm.

Please complete the link below if you would like your child to take part in the club.

BCFC After School Football Club - Monday – Fill in form

Yours sincerley,

Mrs J Curry.
