

Year 4 Addition and Subtraction with up to 4-Digits

Egyptian-Themed Maths Activity

Cut out the mummies. Complete the calculation on each mummy and then sort them by their answer on to the correct pyramid. Once you have selected the correct pyramid, stick the mummy on to the pyramid using a glue stick.

Answer is less than 1000

Answer is greater than 1000

Year 4 Addition and Subtraction with up to 4-Digits

Egyptian-Themed Maths Activity

Cut out the mummies. Complete the calculation on each mummy and then sort them by their answer on to the correct pyramid. Once you have selected the correct pyramid, stick the mummy on to the pyramid using a glue stick.

Answer is less than 5000

Answer is greater than 5000

Answer is < 5000

Answer is < 10 000

Answer is > 10 000

Year 4 Addition and Subtraction with up to 4-digit Numbers

Egyptian-Themed Maths Activity

Two player game

Take turns to select a card. Complete the calculation. Once you have completed the calculation, check your answer. If your calculation is correct, join two of the dots with either a vertical or horizontal line and then the turn is passed. If the answer is incorrect, the turn is passed to the next player without drawing a line.

During the game, boxes will be made by four lines joining lines together. The player who draws a line that finished a four-sided box writes their initials in the box. Each box is worth a point. If a box is made around a mummy, it counts for five points.

The person with the most points by the end of the game wins.
