

Windy Arbor Primary School

Newsletter - Spring 2- W3

Dear Parents and Carers,

Happy Friday everyone! We have been treated to some very lovely weather! The days are getting longer, flowers are beginning to bloom and there's a real sense that the world is waking up again! And as usual in school, that is absolutely true! Year 6 enjoyed their movie night this week and the boys 7-side played exceptionally well in the tournament at BCFC Knightsbridge training ground. Well done boys! We look forward to our final (can't believe I am writing that) week in school with Year 3 and 4 performing their Easter Play to their families and the Windy Community. On **Wednesday 25th March** we will be holding a **Relationship and Sex Education** workshop - the content of this curriculum has changed slightly, so this is your opportunity to see what the changes are and know what your children will be learning about in the Summer Term. We look forward to seeing as many of you as possible and answering any of your queries or concerns. If your child is in Nursery, we are holding a Rhyme workshop on Friday to share all the rhymes we have been learning this term! I hope you all have a wonderful weekend and I hope we continue to see the sunshine!

Mrs Curry

Finals for our Girls!

Our boys and girls football team have been to the Birmingham City Training Ground in the last couple of weeks to compete with other schools in a lot of football matches!!! Both teams did us so proud, but a big well done to our girls who have made it to the finals!!!

Announced next week!

Managing stress

Hopefully you have been able to unpack some stresses from your stress back pack. But it is probably still quite heavy. One of the best stress busters is exercise. Any sort of physical activity can be very effective in improving your overall wellbeing. It can also give you a natural energy boost and improve your focus and motivation. Even short bursts of activities like walking round the block or dancing in the kitchen can help. The days are getting lighter so this is a great time to go to the park, go for a walk, enjoy the lighter evenings. Exercise should not be a punishment. Look at every bit of exercise you do as being good for you whether it is taking the stairs when the lift is broken, or doing the house work. It will all be making you fitter, healthier and hopefully happier.

Did you know...

UK children aged 8–14 spend almost 3 hours online every day (2h 59m). Most of this time is on YouTube and Snapchat, which together account for over half of all daily screen time (52%).

UK children now spend over a full day online each week (26 hours on average)
