Online safety is to be taught each week. Alternating between before the lesson and your Tuesday/Thursday assembly which is based on safeguarding. These lessons can all be found on

Skills lesson- These lessons are for you to focus on any areas you feel the children need more teaching/time to practice.

These lessons could include:

- Logging on
- Getting onto google or swiggle to search for purple mash
- How to copy and paste onto a word document
- How to use the shift key for different punctuation and capital letters.
- How to change font size and colour.
- How to underline and use bullet points.
- How to safely search online.
- Showing them how to navigate the school website.
- How to report a problem on line through (NSPCC and CEOP)

Please can you record these lessons by taking pictures on ipads and uploading them into the computing folder.
