

12th October 2026

Dear Parents and Carers,

At the heart of our school is a simple commitment: every child deserves to come to school feeling safe, happy and ready to learn.

As Headteacher, one of my most important responsibilities is safeguarding the children in our care. This duty extends beyond the classroom and includes ensuring that our playgrounds, entrances and wider school environment remain places where children feel secure and protected.

Recently, there have been a small number of incidents involving inappropriate adult behaviour on and around the school site. I want to take this opportunity to remind all members of our school community that we operate a zero-tolerance approach to aggressive, threatening, intimidating or abusive behaviour, including the use of foul or offensive language.

Children are always listening. They learn from the adults around them and should never have to witness confrontation, aggression, swearing or behaviour that leaves them feeling worried, frightened or unsettled. Our pupils have the right to arrive at school each day knowing they are entering a safe and respectful environment.

We understand that disagreements and frustrations can arise from time to time. However, we expect all adults to model the values we seek to instil in our children: kindness, respect, patience and understanding. We ask that any concerns are raised calmly and appropriately through the school's established communication channels.

I want to be absolutely clear that any adult whose behaviour is considered abusive, aggressive, threatening or inappropriate may be asked to leave the site immediately. Where necessary, the school will take further action, including restricting or removing an individual's permission to enter the school premises. These decisions are never taken lightly but will always be made where necessary to safeguard our children and protect our school community.

I am incredibly proud of the warm, family-centred community we have built together. The vast majority of our parents and carers demonstrate exceptional support, kindness and respect every day, and I thank you for the positive example you set for our children.

By working together and treating one another with courtesy and respect, we can ensure that our school remains the safe, welcoming and nurturing environment that every child deserves.

Thank you for your ongoing support.

Yours sincerely,

Joanna Curry Headteacher
