

# NEWSLETTER

Spring Term 1  
2025/2026

Dear Parents and Carers,

Mrs Curry

Happy snowy Friday!

Well, when we started our first week back, I wasn't expecting to be writing the newsletter from home on a snow day. I hope you have all managed to get out and play in the snow? It is very cold, keep safe and warm! Before Storm Goretti, we have had a busy week in school with our [Science Workshops](#) - thank you to all who attended, we had so many of you in the building - this is so lovely to see. The home school partnership is so important to us and the progress we can make as a school, so thank you for your time!

Can I please say a huge thank you to all of our parents and carers who have been patient with us while our winter procedures have been in place - we only ever make these decisions with your safety in mind. Hopefully next week will be much milder, so normal procedures will resume, but as ever please make sure you keep an eye on the school app - that is where these messages will be sent, so please make sure you have access! If you are having any problems, please pop in and see Mrs Dewsberry or one of the office team to help you.

I do hope you all had a wonderful break over the festive season, and I very much look forward to continue working with you in 2026! The year of the Horse - a year for drive, determination and momentum! Have a wonderful weekend.

## Calendar Dates

|              |                                        |
