Windy Arbor Primary School

Reception Reading Workshop

Monday 2nd November 2026 at 2:00p.m.

Dear Parents/Carers,

Now that the children have settled into Reception, I would like invite you to attend our Reception 'Reading Workshop'. This will give you an opportunity to find out important information about our reading and phonics curriculum, our expectations in Reception, and how you can support your child at home.

You will also be introduced to our whole school reading initiative 'Rainbow Readers'. After the introduction for parents, you will join your children to take part in phonics-based activities. The key to success behind 'Inspire Workshops' is that **every** child has a parent or close relative supporting and working alongside them. The workshop will be held in the studio on Monday 2nd November at 2:00p.m. Please follow the path around the carpark and enter via the studio door.

If you have any questions, please do not hesitate to contact me.

Yours sincerely,

Mrs Sherrington

Assistant Headteacher
