Dear Parents/ Carers,

As part of our learning linked to **Remembrance,** we are delighted to invite you into school to work alongside your child in creating a piece of artwork inspired by this learning on **Monday 9th November 2026** from **9:15am-10:30am.**

This special session will provide an opportunity for families to collaborate, be creative, and celebrate the learning that has taken place in class. Together, you will create a meaningful piece of art that reflects themes, events, or experiences connected to poppies and Remembrance.

Working together on this project offers many benefits, including:

- Strengthening the partnership between home and school.
- Providing valuable quality time for parents and children to work collaboratively.
- Encouraging creativity and artistic expression.
- Helping children develop a deeper understanding of their life at sea topic through hands-on learning.
- Building confidence and pride as children share their knowledge with family members.
- Creating a memorable artwork that can be displayed and celebrated within our school community.

We hope as many families as possible will be able to join us for this exciting event. Your support and involvement make a significant difference to your child's learning experience, and we look forward to welcoming you into school.

Please complete the online form to confirm your attendance.
