

NEWSLETTER

Autumn Term 1
2025/2026

Dear Parents and Carers,

Happy Friday everyone! I am Lacey-Mae Armstrong the headteacher for takeover day! This is the newsletter for today!

To start today's newsletter this week we have had a special visit by a company called Scales and Tales in Year 4, all the way up to Year 6 have been visited and have given us a chance to see and touch their amazing animals such as: snakes, lizards and even bunnies...Aww!

Make sure to turn up to school Friday evening next week for the Christmas fair is taking place meaning there will be a lot of activities to do with your children while visiting. So make sure to come so you can have your go in all the fun activities which will be taking place! Hope to see you there!
4:00pm-6:00pm.

Next week, we are excited to welcome the beautiful Mrs Braid back into school! She has had an operation on her tummy so please make sure to welcome her back into school the Windy way!

Also please be mindful about the parking on school runs because we have had some complaints from our neighbours next to our school because of parking being manic! So please make sure you are finding a spot safely because this road is only accessible for those who live on it and for people who have a pass to be able to park there.

Miss Armstrong

Calendar Dates

25th November	Year 2 Grandparents' Lunch
28th November	Christmas Fair - 4pm-6pm
9th December	Year 5 Inspire Workshop
11th December	Christmas Jumper and Dinner day
11th December	Letterbox Project - invite only

Year 4 TTRS Workshop

Yesterday we held the Year 4 TTRS workshop! It was wonderful to see so many faces at this event! The children really did enjoy having their grown ups there and hopefully it has given parents some ideas of games they can play at home to ensure our children are super speedy at their times tables!

Year 1 Phonics Workshop

On Tuesday we held our Year 1 Phonics Workshop. We were thrilled to see over 90% of parents and carers working alongside the children. It was a wonderful morning where children showcased their phonic knowledge whilst engaging in a range of activities. Mrs Sherrington will be sending out a short questionnaire for you to complete to gain your views. and suggestions for future opportunities.

Thank you to everyone who attended and made the morning a real success!

SMART Award Winners

- Reception – Rosie and Tommy
- Year 1 – Dolly and Harper
- Year 2 – Frankie and Ariana
- Year 3 – Madison and Noah
- Year 4 – Riley and David
- Year 5 – Joshua and Oakley
- Year 6 – William and Jessica
- ARC – Carter and Syann

PE Star of the Week

- Year 1 – Isabella and Merva
- Year 2 – Tyler and Charlie B
- Year 3 – Alina-Jan and Harper
- Year 4 – Elarah and Fletcher
- Year 5 – Alfie and Cassias
- Year 6 – Sapphire and Luca

Stay connected and discover all the amazing things happening in your child's class by following their Class Story!

Nurture – anxiety

The common signs and symptoms of anxiety include: feeling nervous, restless or tense; having a sense of impending danger, panic or doom; having an increased heart rate and breathing rapidly (hyperventilation) and physical symptoms like sweating, trembling and feeling weak or tired. There is no single quick fix for anxiety but the "3-3-3 rule" is a grounding technique that can help you calm yourself when you start to experience the symptoms listed above. This technique uses your senses to bring you back to the present moment when you feel overwhelmed. It involves naming 3 things you can see, identifying 3 sounds you can hear, and moving 3 parts of your body. This simple exercise helps redirect your focus from anxious thoughts and calm your mind. Give it a go some time, and if it works, tell others. The more you talk about any difficulty, the easier it becomes to manage, and anxiety is no different.

Be smart on the internet

Click for more information on internet safety.

- Provide access to child-friendly search engines or safe browsing applications.
- Encourage children to speak to you if they encounter disturbing or inappropriate material.
- Promote a healthy balance between online activities and offline activities.
