

Windy Arbor Primary School

Newsletter - Summer 2- W3

Dear Parents and Carers,

Happy Friday everyone!

It looks like this strange weather is about to improve - a heatwave is coming next week with temperatures in the 30's next week, so please send your children in with a water bottle, a hat and please apply sun cream in the morning. Apologies to those parents who had taken time off work to attend the sports day on Wednesday - we are currently in talks to get a new date out to you as soon as possible. Today we celebrated 'Father's Day' by inviting in the men in our lives for the children in Year 4 to have a wonderful lunch cooked by our fabulous cooks in school. It was wonderful to see so many of you - have a wonderful day on Sunday and enjoy the weather.

On Tuesday, we were able to continue with Sports Day for Early Years and Key Stage One. Thank you to all the parents and carers who supported this event.

Sorry if I have been absent on the playground the last few weeks - this term is always the busiest in the calendar, I am busy buried away writing your child's final headteacher comment!

Next week, we will see the return of Windy's Got Talent - I cannot wait to see the talent we have across school. I know I will be blown away! In school, we have also been trying to recruit a caretaker and I am pleased to tell you that we have recruited someone and I will share more details when I can.

Have a wonderful weekend!

Mrs Curry

David Attenborough Competition!

Mrs Haydon held a David Attenborough competition where children could create a poster all about his life and what he has done in the 100 years he has been on this planet! There were some amazing entries, but the winner is Indu in Year 5! Well done!

Our school book vending machine has been topped up this week!

Remember you can be in a chance to win a book if you are here all week!

There are some lovely new additions, including one of Mrs Faulkner's favourite - The Leaf Thief!

Calendar Dates

29th June	Flourishing Futures at Core Theatre
30th June	Flourishing Futures Graduation Event in school
30th June	Year 6 trip to Weston
1st July	Children move to new classes

EYFS and Key Stage 1 Sports Day!

Thank you to all the parents/carers who came to the EYFS and Key Stage 1 Sports Day! The children loved seeing all their family and friends there so once again thank you for taking the time to come and see them.

Look out for the rescheduled Key Stage 2 dates!

Did you know..

Research has found that two-year-olds using screens around 5 hours daily could say significantly fewer words than children with limited screen time.
