

Windy Arbor Primary School

Newsletter - Summer 2- W2

Dear Parents and Carers,

Happy Friday everyone!

I hope everyone has had a great week, I know the children in Year 4 have continued to practice their times tables and sit their MTC test, children in Year 1 have started their phonics screening check and Years 5 and 6 have had Loudmouth production team in to work with them about healthy relationships!

Our residential to Condoover has been nothing short of amazing! The children have truly shone and showed us, like they always do, how resilient, intelligent and admirable they really are! It has been an absolute pleasure to take them away and lead on this trip, I am so very proud of them for all they have achieved this week.

As we draw towards the end of the school year, there are lots of exciting things planned! I have noticed some more surprise events have been added into the calendar, some Year 4 children are going to start weekly swimming sessions and of course next week, all children will take part in Sports Day which is one of my favourite events in the school calendar! Please ensure children are coming to school every day as we enter the last 5 weeks - I can not believe that is all that is left of this academic year!

Have a wonderful weekend!

Mrs Curry

Reminder

Just a reminder that you can still bring cans into school in a carrier bag as we are still collecting for Ryan, supporting all his amazing charity work!

The next collection date is 26th June 2026 so let's try and make sure he's got lots of cans to collect!

Thank you in advance!

Calendar Dates

16 th June	EYFS, Year 1 and 2 Sports Days

Maple	96%	Oak	96%
Willow	93%	Sycamore	88%

A fantastic residential trip to Condover! The children showed resilience, teamwork, and positivity throughout, making the most of every opportunity and creating unforgettable memories along the way. Taking part in Archery, Orienteering, Rocket Launch, Climbing, Laser Quest, Buggy building and Campfire (Our favourite activity where we learnt lots of new songs). Our 'hotel' was amazing along with the 5* food!!

Did you know..

For younger children, research shows more screen time is linked with lower language development, especially when use exceeds several hours a day.

ALWAYS FOLLOW THE WATER SAFETY CODE

Whenever you are around water:

STOP AND THINK STAY TOGETHER

Take time to assess your surroundings.

Look for the dangers and always research local signs and advice.

When around water always go with friends or family.

Swim at a lifeguarded venue.

In an emergency:

CALL 999

If you are at the coast, call 999 and ask for the Coastguard.

Don't enter the water to rescue.

FLOAT

Fall in or become tired – stay calm, float on your back and call for help.

Throw something that floats to somebody that has fallen in.
