Newsletter - Summer 1- W4

Dear Parents and Carers,

Happy Friday everyone!

We started this week off with a wonderful KS1 performance and the children really brightened up our day! To see how the children have progressed from Early Years to this is just awe inspiring!

Next week the children in Year 6 will be taking their SATs, a week that their whole school journey has been preparing for. I am sure you will join me in wishing them the best of luck next week. May I take this opportunity to to thank all the teachers and staff who support the children through this time. And to you, their parents and carers, thank you for your continued support and dedication! I have also arranged a special breakfast for them on Friday morning following all their hard work!

It will be just over a month before I take the children to [Condover Hall](#), this is a residential trip offered to the children in Years 2 and 3. This will be very different to the adventure we have taken the children on in the last few years - but we are very much looking forward to it!

I wish you all a very restful weekend, please remember that we have an INSET day on [22nd May](#) which leads into the Whitsun half term.
